Grand Educator Award

August 3.2018

Dear Hideyuki Suzuki,

On behalf of the all staff of Microsoft - Congratulation on winning this Award!

Your accomplishments during the this year of Microsoft Innovative Educator Experts program have been outstanding and we want to show our appreciation for your great efforts and results in helping educators and learners achieve success.

This award is Microsoft's most prestigious award in Education and recognize your contributions to MIEE's success in achieving our key objectives of improving learnings in classroom.

You can be very proud of this honor, which only a few of finest educators ever achieve. You have demonstrated true passion, determination, leadership and performance at the highest level, and we know Microsoft can count on you in MIEE 2019 as we focus on Education Transformation in Action.

Thank you for your strong contributions to Microsoft in Education!

Sincerely,

Hidenori Harata
